

1889-90. The Handstamp Surcharges.
1 Att on 3 Att's.

Type 1.
Setting C.

This Surcharge was prepared subsequently to the 1 Att on 2 Att's and as we should expect from this, the whole surcharge was applied at once:

(a.) Siamese numeral on a level with the other characters.

(b.) Siamese numeral on a lower level than the other characters.
